

AIBC Architect & Project Manager
Min. 5 years experience (3 yrs in Vancouver)
Position to begin Immediately

Thibodeau Architecture + Design is looking for a full-time salaried Architect/Project Manager for our Vancouver office. TAD is a coast-to-coast accredited firm working in institutional, commercial interior design, design-build and work environments for major accounts across Canada. Please visit our website for more information at www.gotad.ca

The Requirements:

- Completion of Degree in Architecture
- Licensed member of the AIBC
- Knowledge of BC Building Regulations and Codes
- Completion of Project Management Certificate or relevant experience
- LEED accreditation/proficiency an asset
- Expert in AutoCAD
- Intermediate Microsoft Excel or equivalent Spreadsheet program
- Working knowledge of Revit an asset

The Successful candidate will demonstrate a track record for:

- Client focus
- Results
- Ethical Choices
- Green Design
- Effective Communication with all stakeholders
- Sense of urgency
- Ability to coordinate multiple and competing demands
- Responsibility and confidence for project progress
- Adherence to Regulations and Codes
- Attention to details
- Recognizing opportunities to increase sales/service

Please email your covering letter and resume clearly detailing your qualifications relative to the above-described skills to: career@gotad.ca
